CONDITIONS OF HIRE / INVOICE

This bouncy castle should be operated to the standards set out by the health and safety (BS EN 14960 : 2006) and the local authority. These standards form the basis of these conditions of hire.

1. The equipment should be returned in the same condition as delivered i.e. clean & dry. Cleaning charges £20 min.

2. The equipment will only be set up if there is a clean clear area to do so with a clear entrance.

3. Roofs if fitted should not be detached.

4. Never move the equipment once set up by us. Place safety mats in front of the castle if required.

5. The equipment should not be used when raining as it becomes slippy. If it rains leave the castle inflated, do not use we will deflate it on our return.

6. Do not allow children with medical conditions, which may put them at risk of injury (e.g. brittle bone disease or temporary injuries) to use the castle.

7. You must have first aid facilities on site.

8. A responsible adult must stand on either side of the front of the castle and supervise play on the castle at all time. Deflate castle when not supervised or in use. Misuses of the equipment will encure a safety test fee of £60. I.e. climbing on walls, adults using children's equipment ECT.

9. Shoes must be removed before entering the castle.

10. Do not allow children to climb the walls or roof of the castle.

11. Do not allow toys to be taken on to the castle as they may cause injury if fallen on or could puncture the castle.

12. Limit the number of children on the castle at any one time to a safe level Max of _____.

13. The castle is intended for use by children under the age of _____.

14. Avoid having older children on the castle at the same time as younger ones.

15. The customer is responsible for the equipment whilst on hire. Loss through theft and damage other than fair wear and tear will be charged for.

16. The castle must be kept clean of mud ect no food, drink, party poppers or silly string to be taken on the castle cleaning charges may apply.

17. No water should be played with on or near the castle as drying charges may apply.

18. On licensed premises the castle should be in a glass free area.

19. In the event of winds exceeding 38km/h (Force 5 Beaufort Scale), the unit should be deflated immediately and then re inflated once the winds subside. Beaufort Scale description = Fresh Breeze – Small trees in leaf begin to sway"

We will not be held responsible or liable for any injuries caused whilst using this equipment
